School for Life Chiang Mai

185/3, Moo 4, T. Pamieng, Doi Saket, Chiang Mai 50220, Thailand.

School for Life is an internationally sponsored project in Northern Thailand that provides home and care for children who live in difficult situations. These include not only who lost their relatives, whose parents died of disease or are missing, but also children who escaped from situations of brutality and abuse. We give them a new home, provide for their basic needs as well as offer psychosocial and medical care. On top of that, we ensure the children to have proper basic education.

School for Life was founded by Prof. em. Dr. Jürgen Zimmer and Thaneen Worrawittayakun ("Joy") in 2003.
