

# Birthday Party & Welcome Party for the new children and new teachers

We celebrated “Birthday Party & Welcome Party” on 31<sup>st</sup> July, 2020. The birthday party is to celebrate the birthdays of the children and teachers whose birthdays are in July, and the welcome party is to welcome the new children and new teachers.

Thirty-five new children registered to live in School for Life in this school year. There is a total of 122 children on the campus at present. Three new teachers came to work in School for Life this year. They are Kru Ae, Kru Pong and Kru Bee. Kru Ae will teach Organic Farming subject to the children, Kru Pong will teach Politics and Art subjects. He will also take care of the guests and plants in our guest area. Kru Bee will teach IT subject.

At the ceremony, School Director Khun Siriporn Hanfaifa made a speech for welcoming new children and new teachers. The new teachers introduced themselves to the children. After that, Birthday Party started by singing Happy Birthday song together, blowing the lights of candles on the big birthday cake by birthday children, clapping and cheering.

Then, the children and teachers had buffet foods which were prepared by five Family Houses of School for Life, and ate dinner together. A group of children and teachers entertained the others by singing songs and playing guitar.

The children had a great happiness for having new friends and new teachers. We all enjoyed the day.
