

“A Trip To The Zoo”

School for Life Chiang Mai

Newsletter 235

All children and teachers of School for Life Chiang Mai took a trip to Chiang Mai Zoo on Sunday, the 20th of September, 2020. It was the first day that Chiang Mai Zoo reopened after closing for a few months due to Covid-19 pandemic in Thailand. It's a wonderful day and the children enjoyed the trip although it was raining all the day. This excursion trip was sponsored by Rotary Club of Chiang Mai North for all the expenses including the zoo entrance fees, a lunch and

round-trip transportation. Four minibuses were arranged for the trip to the zoo. The children were very excited to observe the various animals in the zoo. They could learn about the behavior of the animals and study diversity of animal life. We would like to thank Khun Ajarn Chamnan Chamruang and President of Rotary Club of Chiang Mai North Mrs. Ayako for sponsoring the trip and for all arrangement of the school excursion.

School for Life Chiang Mai is an internationally sponsored project in Northern Thailand that provides home and care for children who live in difficult situations. These include not only who lost their relatives, whose parents died of disease or are missing, but also children who escaped from situations of brutality and abuse. We give them a new home, provide for their basic needs as well as offer psychosocial and medical care. On top of that, we ensure the children to have proper basic education.

School for Life Chiang Mai was founded by Prof. em. Dr. Jürgen Zimmer and Thanin Hanfhaifha (JOY) in 1999.
