Wai Kru Day/Teachers' Day in SfLCM

8 July 2021

Most of the schools started to close here yesterday due to Covid-19 pandemic and began online teaching & learning. But our school and a few other boarding schools were allowed to open normally with strict restrictions to follow measures against Covid-19. So, we could do

normal teaching & learning and activities on the campus as usual. But, we do the activities just on the campus; we don't allow the children to do activities outside the school.

Today morning we held *Wai Kru* Day/Teachers' Day in our school. *Wai* is a common Thai greeting as a way to express gratitude or respect, or a polite way to apologize. *Kru* means teacher in Thai. The ceremony was started at 9 am. It's the day of the year when Thai students show respect to their teachers by participating in the school ceremony.

The ceremony was opened by School Director Khun Siriporn Hanfaifa. All students stood, *wai* and sang a song about the importance of teachers. The School Director gave a speech to the children about the purpose of *Wai Kru* ceremony. Then, every student presented teachers with a bunch of flowers which they made themselves with the beautiful arrangements. Finally, prizes were presented to certain students who could draw beautiful paintings and write good essays.

Scout's Day in SfLCM

7 July 2021

We celebrated Scout's Day today in our sports field on the campus. All teachers and students attended the ceremony.

Scout activities enhance the development of character of the children. The children also get the scouting experiences.

School for Life is an internationally sponsored project in Northern Thailand that provides home and care for children who live in difficult situations. These include not only who lost their relatives, whose parents died of disease or are missing, but also children who escaped from situations of brutality and abuse. We give them a new home, provide for their basic needs as well as offer psychosocial and medical care. On top of that, we ensure the children to have proper basic education.
