## THANK YOU

Thank you Teacher Kevin McGrath for the donation of various types of sports equipment.

We have just seen the equipment on TV and watched the matches of these sports equipment, but we have never played these sports using the equipment.

Thank you for teaching us how to use these sports equipment.

## The trip to School for Life by Teacher Kevin McGrath

Mr. Kevin McGrath is a physical education teacher in Charles Barrett Elementary School in the USA. He arrived at our school early morning. All kids gathered in front of the school canteen. Teacher Kevin distributed the sports equipment to the kids. We took a group photo together. The kids were very excited to receive the various sports equipment. Then, Teacher Kevin started sports lessons in our sports field. It was amazing that he taught not only sports lessons but also brain boost activities.

## SPORTS IN OUR SCHOOL

The School for Life Kids play sports in the evening after school until 7 o'clock. They usually play volleyball and futsal in the school sports field.

Some kids like to play badminton and table-tennis. The others like to play traditional games. Our sport teacher will change his program soon with the new types of sports equipment from "Adopt-a-Gym".

## Adopt-a-Gym

Dear Teacher Kevin,  
We are very grateful to you for your grand idea to help PE programs worldwide "Adopt-a-Gym". It improves our PE program. The kids enjoyed playing the sports equipment.

We look forward to seeing you next time for more sport lessons. Kids were very happy to do brain boosting activities too. It's fantastic.
