WONDERFUL COOKING CLASSES OF MR. MARKUS TARNELLER AND MS. MELANIE KUHN & GENEROUS DONATION FROM COOKING STUDENTS

Mr. Markus Tarneller and Ms. Melanie Kuhn recently organized a series of delightful parties and cooking classes, where they successfully raised approximately 2,600 Euros in support of the 'School for Life' projects. Through their dedication, Mr. Markus Tarneller and Ms. Melanie Kuhn conducted eight engaging cooking classes and have a heartfelt desire to illustrate the positive impact of the generous donations from their cooking students.

The funds raised by Mr. Markus Tarneller and Ms. Melanie Kuhn were spent for various projects aimed at enhancing the lives of children in 'School for Life.' A significant portion of the donations was allocated for the purchase of sport dresses, and the activities in which the children actively participated during the October holiday period. These activities included English and Thai language classes, fostering a holistic educational experience.

Furthermore, the donation from Mr. Markus Tarneller and Ms. Melanie Kuhn will be spent for critical needs within the 'School for Life' premises. The remaining funds will be used for renovation of the electric power line, ensuring a secure and efficient power supply. Additionally, a big crack on the wall in Oun-Ai-Rak Family House will be repaired, enhancing the safety of the living space.

The 'School for Life' community would like to express profound gratitude to Mr. Markus Tarneller and Ms. Melanie Kuhn for their wonderful cooking classes and unwavering commitment to making a positive difference. And, we would like to thank all the cooking students who, through their generous donations, have contributed significantly to the realization of these impactful projects. Together, their donations have made a lasting and meaningful impact on the lives of the children in 'School for Life.'
